Privacy Statement

We are committed to responsible data management and subscribe to the principals of the data protection legislation in the United Kingdom. We are committed to maintaining the privacy of our users and maintaining the security of any personal information received from you.

If you register for any of the Services you will be asked to provide basic personal information. The information provided by you is not available for sale or use by third parties. The information is used solely for notifying you of changes or updates to our website and services.

We use a technology called "cookies" as part of our normal business procedure to track patterns of behaviour of visitors to our website. A cookie is an element of data our website sends to your browser which is stored on your system. You can set your browser to prevent this happening. Any information collected in this way can be used to identify you unless you change your browser settings.
